

KENT YOUTH, INC. GRANT APPLICATION

Organization Name _____

Address: _____ Website: _____

City/State/Zip: _____ Phone No: _____

Contact Name: _____ Fax No: _____

Title: _____ E-Mail Address: _____

Amount requested _____

1. Description of Organization

Please describe the characteristics of your 501 (c) (3) organization including the general population served and programs currently offered, as well as the number of people served annually, collaboration with other service providers, and annual budget. What is unique about your organization?

2. Project Details

Please summarize the project. Include how the project fulfills the Kent Youth Mission Statement (see below). Who will direct the project? What are the qualifications of the project director; include any previous experience or training programs of project's director and staff. Is this a new or continuing project? What specific population will be served by the project? What is the project's timetable? Include other pertinent information.

How will you determine the effectiveness/success of the project?
How will you recognize Kent Youth as a funder of the project?

3. Project Budget

Please provide a budget for the project. Are other sources of income available? Specifically, how will the grant funds be allocated? If the project continues beyond the Kent Youth, Inc. grant, how will it be financed?

4. Supplemental Materials

Current year financial statements
IRS tax determination letter
List of current Board of Directors and senior staff

5. Submission of Application

submit two copies One hard copy to Kent Youth, Inc. PO Box 58, Chestertown, MD 21620
One electronic copy to jwelsh@kenthumane.com with Kent Youth in subject line.

NOTE: A final written report of the completed project is required within a year, due date as noted in the letter confirming the grant. Failure to file a report will prevent Kent Youth, Inc. from considering future grant applications from your organization.

Kent Youth Mission Statement: To provide financial support for programs to assist teenage youth who are underserved and/or at at risk for adjudication in Kent and other Eastern Shore counties. Areas of funding include education, vocational training, mental health and life skills development.
